

# Field Trip!

On a recent trip to Peila View Farms in Oxford, students in grades K4-4th were able to enjoy navigating through the corn maze, racing rubber ducks on the water, playing in the corn bin, climbing on a mountain of round bales, riding the cow train, looking at some farm animals, and taking a hay ride. Even though it was muddy and cold, a fun day was had by all! Thank you to all the parents that drove and helped make this a successful trip.

Here are some pictures of Mrs. Lyon's 1<sup>st</sup> & 2<sup>nd</sup> grade classroom as they were meeting each other on the first day of school!

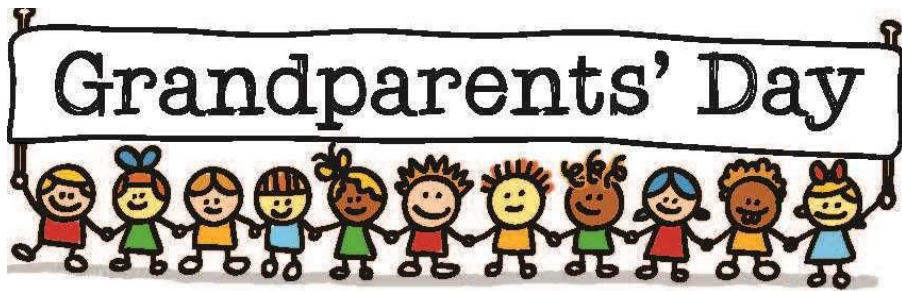

A little goofing off always makes for a good ice-breaker!

# Grandparents' Day

The K4 through 6th grade classes welcomed their grandparents to VHCA on the afternoon of October 19th. They enjoyed a time of making a craft, eating snacks, and taking special photos together. The event concluded with the students singing a song titled, "Grandparents You Are Special." Fun was had by all that attended.
